CONFERENCE LOCATION
Women & Infants Hospital
Malcolm and Elizabeth Chace Education Center
101 Dudley Street
Providence, RI 02905

DIRECTIONS
From north of Providence Take Interstate 95 South to Exit 19, Eddy Street. Bear left toward Eddy Street. At the light, turn right onto Eddy Street. At the first set of lights, take a right onto Dudley Street. Women & Infants is approximately one block on the right.

From south of Providence Take Interstate 95 to Exit 18, Thurbers Avenue. Bear left on the exit ramp. At the second set of lights, turn right onto Eddy Street. Proceed on Eddy Street to the second set of lights. Turn left onto Dudley Street. Women & Infants is approximately one block on the right.

From Interstate 195 Take Interstate 195 West to Interstate 95 South. Take Exit 18, Thurbers Avenue. Bear right on the exit to the light. Turn right onto Eddy Street. Proceed on Eddy Street to the second set of lights. Turn left onto Dudley Street. Women & Infants is approximately one block on the right.

PARKING
Complimentary parking is available on site.

CANCELLATION POLICY
Cancellations/substitutions must be made in writing to Judith Gould at least two weeks prior to the start of the conference. An administrative fee will be charged for all refunds. (No refunds for “no shows.”) There will be no additional charge for substitutions. This conference is subject to change or cancellation.

Managing Ob/Gyn Pitfalls in Triage and Emergency Room Settings
Saturday, October 1, 2011
7:30 am to 4:30 pm
Women & Infants Hospital
Malcolm and Elizabeth Chace Education Center
101 Dudley Street
Providence, RI
EDUCATIONAL OBJECTIVES

- Participate in the care of women with both acute and urgent health issues.
- This program is valuable for emergency room physicians, nurse practitioners, and health care providers in settings where they will care for pregnant women, including the impact on professional liability.
- A key aspect of this course is the simulation component which provides hands-on experience with the treatment of incomplete abortions.
- It will include the management of acute and urgent health issues who are referred from community practices, urgent care settings, and other emergency departments.

TARGET AUDIENCE

- This program is valuable for emergency room physicians, nurse practitioners, certified nurse midwives, nursing professionals, family and internal medicine practitioners, obstetriciangynecologists in private practice, and others who participate in the care of women with both acute and urgent health issues.

PROGRAM DESCRIPTION

- The Women & Infants Hospital provides care to patients with a unique spectrum of medical issues.
- Women & Infants Hospital participates in the care of women with both acute and urgent health issues.
